

FOR OWNERS

From listed to thriving — *in about five minutes.*

Your salon is already in Miami Knows Beauty. Here's how to claim it, customize it, and make it work for you.

1

ALREADY HERE

Find your listing

We've already built a page for your salon on Miami Knows Beauty. It shows your name, neighborhood, category, price range, hours, and a short description pulled from public sources. You can find it by browsing the directory or searching your name.

TWO MINUTES, NO COST

Claim it — free

Click "Claim this listing" on your listing page or go directly to the owners page. Enter your name, email address, and your role at the salon. That's the whole form. Free, no credit card, no commitment.

3

USUALLY WITHIN 24 HOURS

We verify you're the owner

We do a quick manual check to confirm the claim is legitimate — a Google Maps cross-reference, a quick look at your Instagram, sometimes a short phone call. Once verified, you'll get an email with a link to sign in. We do this to keep the directory trustworthy for everyone who reads it.
