

MIAMI'S CURATED BEAUTY DIRECTORY

Miami's *best-kept* beauty addresses.

An index of the stylists, colorists, estheticians, and barbers locals actually book — neighborhood by neighborhood.

The screenshot shows the Miami Knows Beauty website. At the top, the logo 'Miami Knows Beauty' is on the left, and navigation links for 'Home', 'About', 'Spa', 'Salons', and 'Barbers' are in the center. On the right, there are buttons for 'English', 'Pricing', and 'For Salon Owners'. Below the navigation, a banner reads 'ISSUE NO. 01 · MIAMI · MAY 2026'. The main headline is 'Miami's *best-kept* beauty addresses'. Below this, four white boxes with red text display statistics: '68+ SALONS LISTED', '12 NEIGHBORHOODS', '6 BEAUTY CATEGORIES', and 'Free TO START'. A search bar at the bottom contains the text 'Balayage in Wynwood. Gel manicure in Brickell. Quiet barbersho' and a 'FIND' button. A red-bordered box at the bottom contains the text: 'Every credible salon in Miami is already here. Miami Knows Beauty is an editorially-curated directory — not a paid-listing aggregator. Your salon was added based on its reputation. You don't need to pay to be listed. You do need to claim your listing to control it.'

The screenshot shows the Miami Knows Beauty website interface for business owners. The header includes the brand name and navigation links for Hair, Nails, Spa, Lashes, Med Spa, and Barber. There are also links for English, Pricing, and For Salon Owners. The main heading is 'Run a salon in Miami? Your listing's already here.' Below this, a paragraph explains that every credible salon in Miami is listed for free, and claiming the listing allows users to take control of their profile, get found by people searching tonight, and unlock booking tools. A note mentions that 68+ Miami salons are already in the directory and that early claimers get 'Founding Partner' status. A section titled 'WHAT'S INCLUDED WITH FEATURED' lists benefits like featured badges, 12 photos, AI Instagram captions, and a first month free trial. The form fields include 'Business name' (with an example 'e.g. Miami salon'), 'Your name' (example 'Jane Owner'), 'Your email' (example 'you@yourbusiness.com'), and 'Your phone (optional)'.
