The AI marketing tools in action

Here's what the Featured marketing tools look like inside your dashboard.

The screenshot shows the Miami Knows Beauty dashboard. At the top, there's a navigation bar with links for Hair, Nails, Spa, Lashes, Med Spa, and Barber. On the right, there are links for English, Pricing, and For Salon Owners. A yellow banner at the top contains a preview of the caption generator tool. Below this, the main heading is "Instagram caption generator". The instructions say: "Type what you want to post about. We'll write a short caption in Rossano Ferretti Hair Spa's voice for Design District." There's a text input field with the placeholder "What's the post about?". Below the input field, there are two buttons: "Generate caption" and "Generate another". Below the buttons, there's a section labeled "CAPTION" which displays the generated text: "Summer hair, elevated. Enjoy 20% off all color services this week at our Design District salon—perfect for polished dimension, high-gloss shine, and a fresh look that feels effortless."

The screenshot shows the Miami Knows Beauty dashboard with two tools visible. The top tool is the "Instagram caption generator". It has a text input field with the placeholder "e.g. fall hair color promo, 20% off balayage this weekend" and a "Generate caption" button. Below this is the "Ad copy generator" tool. Simple, transparent pricing

Start free. Upgrade when you're ready. No hidden fees.

The screenshot shows the Miami Knows Beauty website's pricing page. The header includes the brand name, service categories (Hair, Nails, Spa, Lashes, Med Spa, Barber), a language dropdown (English), and links for Pricing and For Salon Owners. The main heading is 'Three ways to show up on Miami Knows Beauty.' with a subtext: 'Pick what fits your salon. Start free, upgrade when you're ready, cancel anytime.' Below this are three pricing tiers: 1. 'FREE' for every salon, described as 'You're already here. The basics, on the house.' 2. 'FEATURED' at \$29/month, labeled 'MOST POPULAR', which includes '25 Founding Partner spots left' and a 'permanent gold badge on their listing — visible to every visitor, forever.' 3. 'CONCIERGE' at \$299/month, which includes 'Featured + AI phone receptionist' and the promise to 'Never miss a booking. We answer the phone for you, in any language, and book straight into your calendar.'

★ Founding Partner Offer
